

Church Office Administrator

Linda Sheetz is Holy Trinity Cathedral Office Administrator. Linda has been here a short time, replacing Donna Ackman, who retired a few months ago. Besides handling the all of our mailings, monthly church bulletin, and weekly liturgical guide, she schedules and organizes the people and processes around the church and is ready to help in any way. When problems arise she tries to resolve them herself or find someone who can. She knows everything that happens at the church but handles that information with discretion and confidentiality. Contact her at 803-252-6758 ext.0 or htgocc@gmail.com

Financial Administrator

The official keeper of the books at Holy Trinity is Mike Hart. He is responsible for maintaining church bank accounts, distributing checks and attending to financial matters as dictated by the Parish Council. The financial administrator also attends Parish Council meetings to provide reports and work with the council treasurer.

She prepares them for their normal Sunday and Feast Day functions as well as a Christmas and spring concerts where all of the musicians participate. She holds a Bachelor of Church Music degree from Wesleyan College, Macon, GA as well as a Masters in Musicology with studies in Byzantine chant historiography from the University of Virginia. Contact Despina at dhoulis@aol.com.

Custodian

Michael Payne is the Custodian at Holy Trinity and in the true sense of the word he is the guardian, steward and protector of all of our buildings and grounds. Not only does he clean all of our buildings but he also does a lot of the maintenance. He knows where everything is stored and does much of the set up for gatherings and the break down and cleanup at the end of events. He helps coordinate the set up of the Greek Festival and helps out anywhere in the church where there is a need. Contact him through Linda Sheetz. (See above)
